### WASTE DIRECTIVE

The European Directive 2002/96/EC on waste electrical and electronic equipment requires that electric and electronic devices must not be disposed of in the normal household waste. For correct disposal, please use authorized waste disposal facilities or return to the distributor at the date a new lighting fitting is purchased. Lamps, if disposed together with the lighting fitting, should not be broken up as they contain pollutants, which are harmful to the environment. Unauthorized disposal of the foregoing waste material is punishable by law.
