

LOTUS DUO THERM LED

IP20 IP54 CLASS III CE

A recessed LED downlight featuring innovative duo-therm technology, which combines a ceramic and aluminium heat sink for improved thermal management. The combination of Al₂O₃, offering high electrical insulation (1x10¹⁴ - 1x10¹⁵) Ω cm, reduces the operating temperature of the lamp by around 8°C which increases life expectancy by approximately 30%.

PERFORMANCE

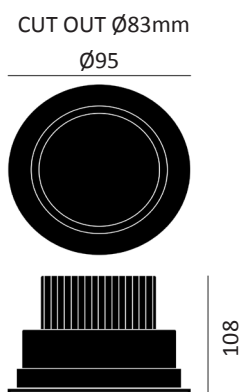

Light source	LED
Luminaire output	620 - 840lm
Luminous efficiency	88lm/W
CRI	80
Beam angle	36°
Cut out	Ø83mm

MATERIALS

Body	Die-cast aluminium
Finish	White
Diffuser	2mm toughened frosted glass
