

IP54 IK10 CLASS I CE

OASIS LED

A cost-effective, vandal-resistant LED bulkhead featuring the latest generation LEDs with excellent technical parameters. Ideal for corridors, waiting rooms, toilets, changing rooms, reception areas, stairwells and foyers.

OASIS LED

FEATURES & BENEFITS

- > Modern, robust design
- > High luminous efficiency - up to 157lm/W
- > UV stabilised - no yellowing
- > Homogeneous light distribution - no spotting
- > Long rated average LED life: >72,000hrs (L80/B10)
- > Optimum colour consistency - 3 step MacAdam ellipse tolerance

PERFORMANCE

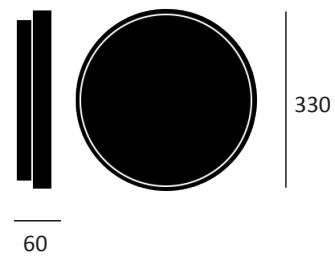

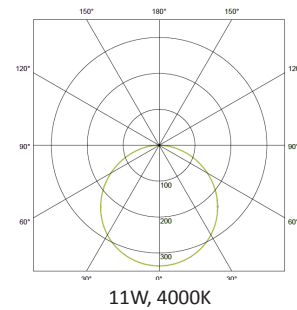

Light source	LED
LED output	2002 - 4347lm
Luminaire output	1580 - 3610lm
Luminaire efficiency	≥144lm/W
CRI	>80

MATERIALS

Body	Polycarbonate
Finish	White / Black / Grey
Diffuser	Opal polycarbonate TP(a)

OPTIONS

- > 3hr emergency
- > Microwave sensor for enhanced energy savings
- > Internal fuse and LSOH cable
- > Replacement shade
